

Tomatin 1971
Warehouse 6 Collection
45.8%

This 44 year old was matured in *oloroso* casks before being bottled at cask strength in May 2016. Mellow, sherried fruit on the nose, with rose hips, vanilla fudge, almond, honey, and slightly earthy spices. The fragrant palate features an intense blast of ripe fruit, caramel, and sweet spices, while resin develops in time. The medium-length finish offers plain chocolate, raisins, and prunes, with no negative tannins. One of the best Tomatins to date.

—Vol. 25, #4
