

Littlemill 25 year old Private Cellar Edition

50.4%

This bottling of 1990 whisky from the demolished Littlemill Distillery was initially matured in ten American and European oak casks before being married and finished in first-fill *oloroso* sherry casks. Boiled fruit sweets, subtle vanilla, red apple peel, and cereal on the nose. The palate is rich, sweet, and full. Intense fruitiness, then fruit spices, hazelnuts, and some oak notes. Very long in the finish, with aniseed and plain chocolate. Mildly tannic at the last. Complex and satisfying. (1,500 bottles)

—Vol. 25, #4
