

MacNaMara Blended

40%

This amber-colored blend from the Gaelic Whisky Company has sweet barley notes and gentle spice aromas. The caramels prop up the dominant flavor of cold-pressed orange oil squeezed from the peel.

A crescendo of peppery spice marks the late phase and distinguishes the swallow, before a finish of tangy citrus peel with a touch of clove. Perfectly straightforward blend but limited in scope, like a linear dot-to-dot connecting barley, orange peel, and spice.
