

That Boutique-y Whisky Company Islay Blended Malt #1 23 year old 46.3%

This is a sophisticated and finessed take on Islay blended malt, which must be Kilchoman-free given the age statement. Driftwood, waxy lemons, soft buttery fudge, banana milkshake, dry grasses, and the gentlest puff of smoke promise calm seas ahead. A silken dram, anointing the palate with lemon meringue pie, honey, and caramel. This becomes creamier, with faint tendrils of smoke and dancing spices through to the finish. Utterly charming and tremendous value for the money. (419 bottles) £82
