

Eagle Rare 17 year old

45%

Often overlooked by collectors because it's not as high in alcohol as most of its siblings, it's superior to last year's release, which I felt brandished more oak on the finish than needed. Caramel, *rhum agricole*, golden raisin, and dried citrus segue into polished oak, along with a wisp of honey and cinnamon on the finish. Well rounded and subtly complex. An exceptional bourbon. Buffalo Trace Antique Collection 2016.
