

Glengoyne 21 year old

43%

While younger Glengoyne whiskies are enjoyable but often fairly straight-forward in flavor, the older expressions develop nicely in depth. Regardless of age, there's always a creamy maltiness as the foundation of the whisky. For this expression, notes of honey, cookie dough, dry spice notes (vanilla, cinnamon) and soft fruit (citrus, apple) round out the palate. This whisky is clean, polished, and very drinkable. A new addition to the Glengoyne line, and very welcome.

—Vol. 14, #1
