

## Belle Meade 10 year old 💌 Sherry Cask Finish 53.2%

Whoa...this sherry-finished bourbon offers an up front impression you don't find in American whiskey: marzipan meets ground-up raw almonds sprinkled over pistachio gelato. Then caramel, nuanced cinnamon, delicate vanilla, and a slight hint of campfire smoke. It's supremely complex, with the third layer being honey, dried apricot, dried pear, figs, and prunes over a sublime nuttiness and rich caramel. The finish lingers with salted-caramel cashew. If this is the future of barrel-finished American whiskey, let there be more. (Jack Rose Dining Saloon private selection)
