

**Redemption Barrel  
Proof High Rye 9 year  
old**

**54.6%**

First impression: spice and herbs completely own the moment. Then caramel, vanilla, and the cadre of baking spices develops into identifiable clove, cardamom, ginger, crushed poppy seeds, and cinnamon. Then the spice turns to another style: pepper, with hints of earthy black pepper and habañero jelly. Slight hints of vanilla, powdered sugar, and marshmallow appear just before a medium-to-long finish with a spicy caramel chew.
