Bourbon (Batch 009)**
56.05%

Think of an Almond Joy candy bar: coconut, almond, and milk chocolate, followed by the candy bar's rival flavors: caramel, vanilla, and butterscotch. Then oak, leather, cigar box, marmalade, grape jelly, a plethora of baking spices, and toffee. This beautiful study of barrel strength bourbon needs no water. Caramel in all forms, from candied to syrup, follows this home for a long and delightful finish.
