	There's a lot going on here: rich	
	caramel, soft vanilla, gingerbread	
	cookies straight from the oven,	
	cinnamon, marzipan, honey, and	
	peach. Then it's a dance of the	
	caramel/vanilla-combo richness	
	with brown sugar, butter, and	
	toffee. The thing is, you need to	
	appreciate barrel strength whiskey	
	to capture its essence, as the	
	beasty alcohol overpowers. Even	
	barrel strength lovers will find a	
	splash of water opens it up, giving	
	more caramel, walnut, and	
	whoopie pie. Long caramel finish.
