

Jim Beam Signature Craft Soft Red Wheat

45%

Confectionary goodies all around.

Vanilla, caramel with milk and chocolates: dark, Mexican, sweet, and white. Lots of chocolate. It's soft and gentle, with zero spice, only rich chocolate and caramel with hints of grain and fruit, but this richness cannot be overstated.

If you love chocolate and caramel, this is your dream bourbon. It finishes long and strong with a hint of—you guessed it—chocolate.

Price is per 375ml
