

Smooth Ambler Yearling

46%

At 3 years, 6 months, this whiskey shows so much promise. As most young bourbons do, this one starts with hints of oak and a mouthful of corn that develops into cornbread and corn pudding over subtle hints of pralines and chocolate. Then out of nowhere, raw almonds and pecan shell. The medium finish ends with a touch of cinnamon. High hopes for this one. In another year or two, we could be talking about something really special.

Price is per 375 ml.

—Vol. 25, #4
