

**Tom's Foolery Ohio  
Straight Bourbon  
(barrel 19)**

**61.5%**

With 4 years 3 months of age, this is a fine selection, with poached pear, stone fruit, brown sugar, and floral aromas nicely integrated. At cask strength, it serves up a bold and spicy punch to the palate, with peppery notes that quickly overpower the dried corn, treacle, and caramel sweetness. A little water allows that sweetness to shine through before the slightly tannic finish of drying oak and black walnut. (*Lincoln Road Package Store exclusive*)
