

**Five & 20 Spirits Rye  
(batch 3)**

**45%**

There is lovely freshness here, with sawn oak, bread dough, and baking spice aromas. Despite the generous 80% rye content, the malt component really comes through, offering good backbone, creamy caramel sweetness, and approachability. A streak of pleasingly peppery rye is balanced with sweet vanilla, leading to a lively finish with mint and chocolate malt balls.
