Black Velvet Onyx 12 year old. 40%

Dry and mildly dusty on first nosing, with a touch of pine pitch and red cedar. Tingling peppery spices and barrel notes carry onto the palate, bringing a slightly bitter counterpoint to luscious crème brûlée. Vanilla and hints of real maple syrup nuance apple pie sprinkled with baking spices, ripe black fruits, and a toffeeish but clean finish. Complex and beautifully integrated. Labeled 12 years old, Onyx includes some older whisky as well. (Europe exclusive) €27
