

Jameson Bold

40%

The second installment in the deconstruction of Jameson Original, this is a punchy, pot still-ed whiskey with a nose of white peppercorn, cinnamon breakfast cereal, whole nutmeg, and a chocolate-coconut slice. Soft, waxy beginning, strong vanilla flavors, golden syrup, fresh apple, and huge barley notes, though the spices are surprisingly easygoing.

It's worth comparing to its brothers, Lively and Round. Of the trio, this is closest to Original.

Peppery finish with long lasting barley sweetness. (*Travel Retail exclusive*) €36
