

White Oak Akashi
Meïsei Blended Whisky

40%

Spicy and savory with dark soy sauce, the blackened bark of a hunk of roasted meat, peppercorn, fennel, and faint lemon zest.

Lemon meringue pie and tangerine flavors; quite sweet, with lovely flowing spices throughout, and a few green notes, but when the creamy fudge comes in, the ride is over.

Compared with the standard blend, this has greater balance, benefiting from the absence of the more abrasive spices and herbal aromas. Abrupt finish, leaving a hollow spiciness behind. £35
