

**Kavalan Solist Port  
Cask**

**59.4%**

Admirably, they go to all the trouble of bottling single casks individually for their Solist range at Kavalan Distillery. This single cask has the most gorgeous, deep ruby color and a very fruity nose: pomegranate, fresh orange, plum, walnut jam, macadamia, and some zestier elements. At full strength, it's mouth drawing; warm, fruity, with stewed plums, young rhubarb, pepperpots, and fine-quality dark chocolate. A clean finish, with the fruit and wood spices remaining fresh to the end.
