

Kavalan Distillery Reserve Peaty Cask

55%

Whether it's New York, London, Paris, or Yilan (home of Kavalan), this expression uses the fashionable technique of maturing unpeated spirit in former peaty whisky casks. Sweet, seasoned wood smoke, chocolate peat, dry spices (notably roasted coriander seed), citrus, and tropical fruits. A thick, warming, unctuous mouthfeel perfused with peat smoke, tangy grapefruit, and baked orange, ending on a fruity red licorice and gentle peat finish. Water unlocks moreish, honeyed citrus sweetness, with a peaty nip in the tail. (*Distillery exclusive*) NT\$1,560

—Vol. 25, #4
