

Parker's Heritage
(distilled Fall 1990) 24
year old
50%

Non-chill filtered plus a lot of age equals oak meeting caramel, vanilla, earth, nuttiness, and mildew. Slight hints of anise, rose petals, tree bark, and overcooked rice, before over-oaked flavor dominates with medicinal notes and soap. Bitterness, earth, and a saving grace of herbs follow for a decent, albeit woody finish. This is simply over-oaked. I'd love to have tasted this bottled three to seven years ago.
