

Tamdhu Batch Strength (#002)

58.5%

The first Batch Strength expression of Tamdhu appeared in 2015 and was also matured entirely in sherry casks and not chill filtered. Big, sweet sherry notes on the nose, with vanilla, sultanas, maraschino cherries, and Turkish Delight. Rich and full-bodied, with *oloroso* sherry, milk chocolate, vanilla, dates, ripe cherries, sweet oak, and allspice. The finish is sweet and long, with lingering, lively spices. A very quaffable, well-priced dram for sherry bomb lovers.

—Vol. 26, #1
