

The Macallan Edition

No. 2

48.2%

This limited release was aged in seven cask types—both American and European oak in a variety of sizes—from four Spanish bodegas: Vasyma, Diego Martin, Jose Miguel Martin, and Tevasa. Citrus fruits, ginger, black pepper, light smoke, and rubbery leather on the nose. Ultimately, carnations. The palate is rich, nutty, and sweet, with malt, toffee, sticky sherry, maraschino cherries, milk chocolate, and gentle spice. Long in the finish, with spices and creamy cocoa.
