

Speyburn 25 year old

46%

The oldest expression available from Speyburn, this has been aged in a mix of American oak *fino* sherry and bourbon casks, and is non-chill filtered. Vanilla, honey, lemon, and spice on the fragrant nose. Quite full-bodied and creamy on the palate; nutty, with malt, honey, and citrus fruit. The citrus fruit becomes spicier in the medium-length, oaky finish.
