

Port Charlotte 10
Second Limited Edition
50%

This was matured in first-fill sherry, bourbon, French wine, and *tempranillo* casks. Initial brine on the nose gives way to malt and orchard fruits, sweet smoke, and buttery malt. Sweet, medicinal smoke notes on the early palate, then toffee and peaches drying to aniseed and chili. Long and prickly in the finish, with licorice and black pepper. A complex rendering of Port Charlotte.
