

Loch Lomond 12 year old

46%

Like its elder sibling, Loch Lomond 12 year old is presented in non-chill filtered form, and in this case, matured in a mix of bourbon, refill, and recharred casks. Ripe apricots, vanilla, and a suggestion of peat smoke on the nose. The full palate offers oranges and pears, plus developing spicy malt and mild peatiness. Long in the finish, with spicy fruit notes. Drying, with subtle tannins.

—Vol. 26, #1
