

Glencadam Origin 1825 

40%

New in 2016, this is an NAS entry-level bottling for the brand, matured in bourbon barrels before spending a finishing period in *oloroso* sherry butts. Sweet and malty on the nose, a hint of mash, then pineapple. Becoming more floral, with violets. The palate offers soft fruit notes, cocoa powder, light sherry, and mixed nuts. The finish is medium in length, with milky coffee and soft spices.

—Vol. 26, #1
