

**Highland Park Fire**

**45.2%**

Fire is the first Highland Park expression to be fully matured in “refill port wine-seasoned casks”

and it carries a 15 year age statement. Very fruity on the nose—raspberries and prunes —plus lightly-smoked pineapple and vanilla. More smoky, spicy

fruit features on the palate, with a light sprinkling of cinnamon. The peat dries to leave ashy licorice and black pepper in a lingering finish. The port is pleasingly discreet. (4,938 bottles for the U.S.)

—Vol. 26, #1
