

**Barrell American  
Whiskey (Batch 003)**

**52.65%**

A composite of Tennessee and Kentucky whiskeys, finished in sherry butts and port pipes. It's sherry-forward, but rich and layered in roasted nuts, caramel, dried caramel, vanilla cake batter, chocolate, chamomile, and roasted apple. Marzipan and honey flash with hints of hazelnut, pear, and molasses cookie over a slightly chewy mouthfeel. The medium to long finish gives a slight hint of citrus.
