

**Mosswood Barrel Aged  
American Whiskey 9  
year old**

**46%**

Finished in barrels that once held *nocino*, a walnut liqueur. This whiskey immediately offers chocolate, oak, leather, vanilla, roasted pecans, and smoke-fired marshmallow. Then port, oatmeal stout, cherry cola, nutmeg, applesauce, roasted nuts, and caramel. The final notes are soft, but an extremely short finish erodes the palate's promise.
