

**Masterson's 10 year old
Rye (batch PSA3)**

45%

This 100% rye-grain whisky is distilled in Alberta, then shipped to Sonoma, California for final touches. Finished in new American oak, batch PSA3 is one of the tastiest U.S. bottlings of Canadian rye ever. Soft caramels cushion ethereal honeysuckle, blackened firewood, and lusty rye spices on a framework of pulling oak tannins. Hugely complex, with new rewards in every sip.

—Vol. 26, #1
