

**Masterson's 10 year old Rye (batch PSF3)**

**45%**

Masterson's bottles singular rye whisky. Yes, this 100% rye-grain whisky is sourced, but finishing by 3 Badge Beverage in French oak casks makes it their own.

Booming, gingery spices cavort on a creamy, leathery, almost oily palate. Snappy sour pickles and vague herbal notes contrast pointedly with sweet vanilla and hints of milk chocolate, dried black fruit, and aromatic pipe tobacco.
