

**Pike Creek Rum Finish**   
**10 year old**

**42%**

Rum barrels replace port wood in a reformulated Pike Creek. The sweetness of the rum finish accommodates higher proof and an extra 5% shot of rye, making this Pike Creek slightly fatter than the original. Crisp clean wood, sweet earthy fruitiness, brisk peppers, lovely tongue-tingling clove-like glow, cigarette tobacco, salt water taffy, raisins, dark plums, and tart fruit.
