××××	Pike Creek Rum Finish 10 year old 42% Rum barrels replace port wood in a reformulated Pike Creek. The sweetness of the rum finish
	accommodates higher proof and an extra 5% shot of rye, making this Pike Creek slightly fatter than the original. Crisp clean wood, sweet earthy fruitiness, brisk peppers, lovely tongue-tingling clove-like glow, cigarette tobacco, salt water taffy, raisins, dark
×	plums, and tart fruit.
