

**Knappogue Castle 16  
year old Twin Wood  
Limited Release  
40%**

The Twin Wood release is the result of refilling this triple distilled single malt from its bourbon casks into *oloroso* casks for a 21-month finishing period. This produced a wonderfully dry nose of macadamia nut, pepper, and baked apple crumble. Rich sweetness, more sherry fruit, and raspberry, which develop with plum notes, some bitter fruits, old chocolate, and a little heat. Fruity sweetness is maintained through the finish.

—Vol. 26, #1
