

The Dubliner Irish Whiskey

40%

This just makes me happy. The nose brims with pure blossom honey, a dose of vanilla, whole peach, butter toffee, and an uplifting floral bouquet. A soothingly sweet and syrupy smooth concoction; this light-bodied whiskey of honey, caramel, and toffee feels like it should be dispensed with kindness in regular doses from a medicine spoon. The epitome of uncomplicated, easy-drinking, bourbon cask-matured whiskey.
