

Ohishi Single Sherry (cask 1257)

43.3%

This dark dram is distilled from malted and unmalted rice along the Kuma river in Hitoyoshi. The nose is redolent of stewed prunes, raisins, plum wine, and walnut, with a palate of treacle, molasses, burnt sugar, licorice, prune, dark fruits, mocha, praline, and nuttier elements. Skillfully, it never veers into bitterness. This should rock the boat for those who love a huge sherried-style whisky. (506 bottles)
