

**Kavalan Solist Moscatel**

**Cask**

**55.6%**

Rich and intense nose, with paradise cake, honey, dried apple, plum, and crème d'abricot. The mouthfeel is dry, nutty, and fruity, with a silky consistency. The cask strength is more noticeable here, but as it dissipates, there is some late complexity of plum skin and coffee bean with wave after effortless wave of flavor lasting for minutes on end. Finish is hot and nutty, with moist coffee grains.

(499 bottles)
