

Box Dálvve

46%

The first core bottling from Box is named after the Sami people's word for winter. It's around 5 years old and matured in bourbon casks, with 24% of the composition using malt kilned to 39 parts per million. Smoky peats and smoked ham in harmony with blossom honey, lemon zest, and pistachio shells. Vibrant orange and lemon notes settle to creamy toffee and Edinburgh rock, the last drops of citrus squeezing out in the finish. 479 SEK

—Vol. 26, #1
