Some of the first peated spirit produced in the late 1990s at Tobermory Distillery has gone into this bottling, which has been finished in marsala wine casks. The nose yields earthy malt, new leather, printer's ink, and a final fragrant note. Big, bright flavors of orchard fruits and sweet peat on the palate, plus black pepper and dessert wine. Ashy peat, burnt oak, and lingering pepperiness in the finish.

—Vol. 26, #2
