

Tobermory 21 year old 
53.8%

Like its Ledaig stablemate, this Tobermory is offered non-chill filtered at cask strength. Finishing occurred in *manzanilla* sherry casks. Orange marmalade, nutmeg, and developing vanilla on the nose. Full bodied, with a palate of citrus fruit and soft spices, aniseed, and developing tannins. Lingering in the finish, with spicy plain chocolate. Ultimately, the tannins fade and leave a fresh citric note.
