

**Barrell Bourbon (Batch 011)**

**57.4%**

At 6 years old it's hard to believe this could get any better with more time in the barrel. It begins with an explosion of honey, warm graham crackers, cinnamon, nutmeg, and marzipan. Then it's saddle leather, pumice, caramel-covered popcorn, and jalapeño-and-peach jam spread over a flat tamale. More baking spices develop as the whiskey finishes long with a lovely salted-caramel note.
