

**West Cork Rum Cask
Finish 12 year old
43%**

The bright, sunny welcome of the rum cask greets you as you raise the glass to your nose. Honeycomb, golden syrup, fresh bread, and dry, powdered-spice aromas. The satin smooth palate boasts sweet melon and honey, developing caramel and orange oils, with a tail that turns slightly nutty. Worth a comparative tasting against Teeling Small Batch, this is an Irish whiskey to take you through the summer.
