×××	West Cork Port Cask Finish 12 year old 43%	×
	Just 6 months in a port pipe have dressed this whiskey with aromas of Kola Kubes, savory spices, and meat juices, plus the whiff of a damp dog licking your face. Palate of cherry lips, golden delicious apple, and a peppery bite, it careens toward plum, bitter fruit skins, and a medicinal ending of aniseed-laced cough syrup. Like young vintage port, this still has more than a few sharp edges.
