

**The Glenturret
Jamieson's Jigger
Edition**

43.1%

At 29 years old this single cask is one of the best releases to date from the Perthshire distillery. The nose offers geraniums, honey, almonds, and toasted brioche, while the palate is creamy with vanilla, heather, a fresh menthol note, and green apples. Long and nutty in the finish, with black pepper. Drying only slightly, and spicy to the end—predominantly ginger. Beautifully balanced. (170 bottles) £295
