

**Rabbit Hole PX Sherry**   
**Cask Finished**

**46.5%**

It's 68% corn, 18% wheat, and 14% malted barley finished in a sherry barrel. First there's an assortment of wood, from tree to toasted oak, followed by roasted walnuts, leather, and marshmallow. Grapefruit rind and a bitterness appear, followed by more woody notes and hints of vanilla. It never strikes the desired balance, finishing short with a hint of hazelnut.
