Angela D’Orazio matured a third of the component whiskies in cherry-wine casks for this seasonal creation. Rather than cherries, the fruity aroma of the wine is more apparent on the nose, together with crushed root ginger, hawthorn, drying tobacco leaf, and beefsteak tomatoes. This thick-textured dram exudes cherry, strawberry, and vanilla fudge, drawing the mouth before a late phase of rum and raisin, aniseed, peppermint, and menthol. 598 SEK
