

**Brotherhood Irish-  
American Whiskey 10  
year old  
45%**

Grassy, grainy, and floral on the nose, with hints of citrus, grape soda, and apples. The palate is creamy, fruity, sweet, and light, with creamed corn, milk chocolate, and grassy and floral notes. There's a hint of spice and a milk chocolate finish. An interesting flavor profile, but the blend of bourbon and Irish single malt whiskey never quite comes together as a cohesive whole.

—Vol. 26, #3
