

Glen Moray 25 year old Port Cask Finish

43%

Distilled in 1988 and finished for an unspecified period in port casks after lengthy maturation in bourbon barrels. Floral, perfumed, and very enticing on the nose.

Vanilla fudge, cocktail cherries, polished oak, and gentle spices. Soft and sweet on the palate, with vanilla, overripe orange, cinnamon, and milky coffee. Long and slightly peppery on the finish, with persistent drying fruitiness.

Complex and extremely accomplished.
