

**Exclusive Malts
(distilled at Glen
Moray) 9 year old
55.7%**

Distilled in September 2007 and matured in a first-fill bourbon barrel (#5315), this is a fine example of how good a relatively youthful Speyside malt can be, given the right cask. Soft and fragrant on the nose, with lemongrass, ginger snaps, and light toffee notes. The palate is sweet, with ripe strawberries and spicy fudge. A spicy finish offers cinnamon, milk chocolate, and lingering citrus fruits. (220 bottles)
