

J.P. Wiser's 35 year old 
50%

Oh, the glory of used cooperage. Woody notes begone—let time slowly breathe life into what began as almost neutral, high-proof corn spirit. Creamy spice, barley sugars, peach syrup, dry grasses, and ancient barn boards.

Incredible complexity, yet so tightly interwoven it achieves oneness. One hundred points until a campfire bursts onto the finish and consumes five of them.

—Vol. 26, #3
